

## 実践短文解釈 5

5. Human beings are not very wise; they seldom make a success of anything without a good deal of trial and error; hence the attitude, 'We do it this way because this is the way it has always been done' is not so wickedly foolish as it appears to the very young.

cf. Men are born ignorant, not stupid; they are made stupid by education.

I, who am blind, can give one hint to those who can see: Use your eyes as if tomorrow you would be stricken blind.
